DETAILED ACTION

Claim Objections

1. Claims 12-16 are objected to under 37 CFR 1.75(c) as being in improper form because a multiple dependent claim cannot depend from any other multiple dependent claim. See MPEP § 608.01(n). Accordingly, the claims 12-16 not been further treated on the merits.

Claim Rejections - 35 USC § 112

2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

3. Claims 1-11 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The inclusion of parenthetical phrases “()”, brackets “[]”, and braces “{ }” leaves ambiguity and uncertainty as to whether the contents inside the parenthesis, brackets, and braces are intended as being that which applicant intends as the invention.

Conclusion

4. Claims 1-16 are pending. Claims 1-11 are rejected. Claims 12-16 are objected to. No claims are allowed.
